One of the most important books exposing the gory details of the Satanic Conspiracy especially in regards the mind control aspect and the occult aspect. Springmeier may have been an insider at some point since he did change his name, according to his website, and was involved with the UN(NWO organization). He was also "trained" at West Point which is a huge mind control center as well as being personally singled out by a past president, all this is pretty alarming. I am unsure if his revelations in this book are actually what the Illuminati wanted as per Alice Baileys book "The Externalization of the Hierarchy".

Most of the "exposers" of the conspiracy have some link to either the military or political parts of the same conspiracy so you have to be careful. Notice that the early 1990's were a big period for "exposers" like Bill Cooper(former military and ONI), Fritz, Cathy O'Brien(still a slave btw her handler is Mark Phillips), Ted Gunderson(FBI) and others like Texe Marrs(career Air Force aka big mind control cover and subterrene underground tunnel system and dialectic tool in service of "Anti-Semitism"). However God uses strange tools sometimes in His work. The early 90's also included King George HW Bushes official "Presidency" if you want to call it that. He actually reigned starting in 1980 after the mock execution of Reagan by the Network. Bill Clinton was below and took orders from Bush and his son obviously was under his orders during his presidency. So it was a very perilous time, especially since the Network wanted 2000 to be such a big bang if you will for their NWO rule of Anti-Christ.

I do know that the version of this book on sale at Amazon(illuminati/satanist owned/operated) is doctored by the Illuminati to bold certain words and phrases as well as capitalize others as a sort of hidden script for certain people reading it. There is also missing information in that and its sequel Deeper Insights. Fritz used to sell this and his other books through his website but last I checked you can no longer click on the sale links.

This version has pretty good formatting for easy reading and the transcribers are thanked. I'll put up his sequel the Deeper Insights as well. Good to have multiple copies up here.
